# Table of Contents

Enhancements

OME workflow: relay entry confirmation

On the **Relay team entry by event** page, when you directly add a Relay Entry for a swimmer during the OME team entry period, the following confirmation message is now displayed to double-check if you are sure you want to proceed:

USA Swimming submit batch file: check for account mismatch

When you click the **REPORTS** tab > **USA-S Registrations** > **Ready for new batch** report > **Submit batch** button, AW Swimming now automatically checks if the team and program match the USA Swimming account; if there is a mismatch, then the following error message is displayed:

Registrations report enhancements

The **REPORTS** tab > **Registrations** report has the following enhancements:

- In the displayed report, the program location for the registration has been appended to the contents of the **Group** column:

- In the exported CSV report:

  o The existing **Swimming ID** column has been moved to the first column.

  o A new **Location** column has been added (to the left of the **Group/Session** column), which lists the program location for each registration.

  o A new **Team name** column has been added (after the final column), which lists the team abbreviation for each registration (for Hytek Team Manager or Meet Manager usage).
